*We are aspiring authors, artists, literary stylists. We  
foster holy Creativity.*

*We engage in Divine Purposes. Planted in our hearts and  
minds, by the Spirit,*

*Eternal Life revitalizes, energizes, inspires.*

*We embrace Yeshua, our Messiah King. We feel and  
know His heartbeat.*

*We take upon ourselves His yoke. We model His  
sensibilities.*

*We reflect His Light. We treasure His perspectives. We  
cherish and mirror His Love.*

*In the complexities of life, in the details of experience, in  
the choice of words,*

*We Illuminate, declare, write, and exhibit Yeshua's  
ways, will, and wisdom.*

*We are writers, poets, music makers, essayists. We do  
what He approves.*

*We focus on the lofty goal of bearing excellent fruit.  
"All the paths of the Lord are mercy and steadfast love."*

*Language is a priceless gift from the Giver of all  
good things. Communication, a precious treasure intended  
to glorify His Name. The Author of our salvation, the  
ultimate Literary Genius, Linguist par excellence, Is the  
WORD! "In the beginning before all time was the  
Word, with G-d. The Word was G-d Himself." The  
Spirit of Truth, the Preeminent Philologist, Teacher,*

*Instructor, Chronicler of Wisdom knows what and how to best write and publish. The Omniscient Narrator of Time and Eternity tutors, equips, and enables His beloved to cherish His sensibilities.*

*The CALL to write invites us into participation with the Eloquent Wordsmith, G-d the Creator. The CALL to write links us with an ancient and obedient fellowship of believers. Down through the ages women have faithfully penned vital words expressive of G-d's heart. The CALL to WRITE is an inestimable marvel, a wondrous privilege, a sacred task from the Father of All Life, Light, Truth, and Compassion. The CALL to write lifts us up out of fruitlessness and futile endeavors. When the Father of Abraham, Isaac, and Jacob, the Father of Israel; the Father of spirits, the Father of Incredible love,*

the Father of Boundless Understanding invites participation in the Kingdom of His Son, by the Spirit, He gives mighty indwelling strength and strong encouragement. He fosters enabling to grasp and hold fast the sense of His direction, intelligence, and hope. The CALL to write is itself holy, and leads to holiness. With amazing insight and guidance, our G-d is able to guard, keep, use, and make fruitful every word entrusted to Him. The CALL to write and create includes our setting forth the wonderful deeds, displaying the virtues and perfections of Him Who has called us out of darkness into His marvelous light and splendor. The call includes progressive knowledge of "the preciousness." As we attend to the Call, our Teacher increases expertise. He infuses

into our writing a quality and enrichment only found in Him.
